

SET Parents and Athletes,

We are excited to announce that Katie Teets will join SET Water Polo Club come Spring 2023 as our 16U Girls Head Coach.

Katie joins SET with a very impressive resume -- she was most recently the Associate Head Coach for six years at the top-ranked Division I program, the University of Hawai'i, from 2016-2022. Teets was an ODP Zone Coach in the SoPac, San Diego, and Hawai'i zones for eight years between 2014-2021. Prior to coaching at Hawai'i, she was the Assistant Coach at Riverside City College from 2013-2016. Teets was also the Riverside Water Polo Club's 12U Girls' Head Coach from 2014-2016. Lastly, Teets was the Martin Luther King High School Assistant Coach from 2015-2016.

Katie Teets not only has an accomplished coaching career thus far, but she also had a very high-level playing career to go along with it. Teets was a two-time All-American at Riverside City College in 2010 and 2011, where she won consecutive conference and Southern California Championships. In 2010, they were undefeated State Champions. Katie went on to play Division I water polo in 2012 and 2013 at the University of Hawai'i. At Hawai'i, Teets was a major impact player as a Captain her senior year when they won the 2013 Big West Conference Championship and made it to the semi-finals at the NCAA Tournament with a 4th place finish.

Katie earned her B.S. Degree at the University of Hawai'i in 2013 and her Ma.C. Degree at Concordia University in 2015.

We would be thrilled to have Katie join our coaching staff here at SET. She will bring high-level water polo knowledge, many years of coaching experience, top-notch technical and tactical coaching ability, and incredible leadership.

Please join us in giving a warm welcome to Coach Katie Teets!

Regards,

Bradley Schumacher
SET Director
